### **Patent Lawyer explanations resume**

*\*In the Patent Cooperation Treaty (PCT), Countries where I didn't apply for the patent, they can use the invention, but only within their Country.*

*They can't sell or export to the 30 countries I applied for the Patent.*

*\*Here, I have the legal monopoly and exclusivity; for the Patent exploitation for fabrication, license or importation of the invention and/or the application of the technology thru other variations.*

*These applies to these 30 Countries for a period of 15 years after I applied for the Patent in each one.*
